

Emergency Management Policy and Procedures

Name of Child Care Centre: Phoenix Child Centre

Date Policy and Procedures Established: May 2017

Date Policy and Procedures Updated: April 20, 2018

Purpose

The purpose of this policy is to provide clear direction for staff and licensees to follow to deal with emergency situations. The procedures set out steps for staff to follow to support the safety and well-being of everyone involved.

Clear policies and procedures will support all individuals to manage responses and responsibilities during an emergency, resulting in the safest outcomes possible.

Definitions

All-Clear: A notification from an authority that a threat and/or disaster no longer pose a danger and it is deemed safe to return to the child care premises and/or resume normal operations.

Authority: A person or entity responsible for providing direction during an emergency situation (e.g. emergency services personnel, the licensee).

Emergency: An urgent or pressing situation where immediate action is required to ensure the safety of children and adults in attendance. These include situations that may not affect the whole child care centre (e.g. child-specific incidents) and where 911 is called.

Emergency Services Personnel: persons responsible for ensuring public safety and mitigating activities in an emergency (e.g. law enforcement, fire departments, emergency medical services, rescue services).

Evacuation Site: the designated off-site location where shelter is obtained during an emergency. The evacuation site is used when it is deemed unsafe to be at or return to the child care centre.

Licensee: The individual or agency licensed by the Ministry of Education responsible for the operation and management of each child care centre it operates (i.e. the operator).

Marshalling Area: The designated safe place near the child care centre where everyone is to initially gather before proceeding to the evacuation site, or returning to the child care centre if evacuation is not necessary.

Staff: Individual employed by the licensee (e.g. program staff, supervisor).

Unsafe to Return: A notification from an authority that a threat and/or disaster continue to pose a danger and it is unsafe to return to the child care premises.

Policy

Staff will follow the emergency response procedures outlined in this document by following

1. Immediate Emergency Response;
2. Next Steps during an Emergency; and
3. Recovery.

Staff will ensure that children are kept safe, are accounted for and are supervised at all times during an emergency situation.

For situations that require evacuation of the child care centre, the **Marshalling Areas** to gather immediately will be located at: **Preschool / FDK1&2** West side of Preschool Playground and **School age & Quiet Room** Fence line at parking lot facing school baseball diamond

If it is deemed 'unsafe to return' to the child care centre, the **evacuation site** to proceed to is located at: **Our Lady of Guadeloupe 3100 Don Mills Rd 416 393-5342**

Note: all directions given by emergency services personnel will be followed under all circumstances, including directions to evacuate to locations different than those listed above.

For any emergency situations involving a child with an individualized plan in place, the procedures in the child's individualized plan will be followed.

If any emergency situations happen that are not described in this document, The Supervisor/ designate or emergency response personnel will provide direction to staff for the immediate response and next steps. Staff will follow the direction given.

If any emergency situations result in a serious occurrence, the serious occurrence policy and procedures will also be followed.

All emergency situations will be documented in detail by the centre Supervisor /designate in the daily written record.

Additional Policy Statements

CPR Training, First Aid Kits and Supplies

All Phoenix Child Centre staff are trained/certified in Standard First Aid & CPR. Recertification occurs every 3 years (this is standard) or as needed. First Aid Kits are kept on site in individual classrooms inside emergency backpacks and replenishing supplies are kept on site and available when needed. The staff must carry the emergency back pack when travelling outside for walks and trips. All individualized plans are also located in the emergency backpacks along with epipens (unless the child has permission to carry their own).

Fire Drills

The Preschool children perform fire drills on a monthly basis this is in addition to any fire drills that may happen with the school community.

The FDK and School age children perform fire drills 6 times throughout the school year and once in July and August. This is again in addition to the fire drills performed with the school community.

All fire drills are recorded by program staff and signed off by Supervisor /designate.

Regulatory Requirements: Ontario Regulation 137/15

Emergency management

68.1 (1) In this section,

“emergency” at a child care centre means an urgent or pressing situation in which immediate action is required to ensure the safety of children and adults in the child care centre. O. Reg. 126/16, s. 42.

(2) Subject to subsection (3), every licensee shall ensure that each child care centre it operates has written policies and procedures regarding the management of emergencies that,

- (a) set out the roles and responsibilities of staff in case of an emergency;
- (b) require that additional support, including consideration of special medical needs, be provided in respect of any child or adult who needs it in case of an emergency;
- (c) identify the location of a safe and appropriate off-site meeting place, in case of evacuation;
- (d) set out the procedures that will be followed to ensure children’s safety and maintain appropriate levels of supervision;
- (e) set out requirements regarding communications with parents;
- (f) set out requirements regarding contacting appropriate local emergency response agencies; and
- (g) address recovery from an emergency, including,
 - (i) requiring that staff, children and parents be debriefed after the emergency,
 - (ii) setting out how to resume normal operations of the child care centre, and
 - (iii) setting out how to support children and staff who may have experienced distress during the emergency. O. Reg. 126/16, s. 42.

(3) Despite subsection (2), a licensee is not required to have emergency management policies and procedures described in that subsection if,

(a) the child care centre is located in a school, the licensee uses or adopts the school's emergency management policies and procedures and those policies and procedures address the same matters as described in subsection (2); or

(b) the licensee is otherwise required to have a plan that addresses the same matters as described in subsection (2). O. Reg. 126/16, s. 42.

Intent

The intent of this provision is to require licensees to have policies and procedures that protect the health and safety of children and staff in the event of an emergency.

The provision requires that staff roles and responsibilities be clearly outlined in the event of an emergency.
